**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have competitive dsl over copper wire and need to keep it for my family. Do not let att and other lobbys take away my legal right to fair and good competition by removing copper wire connections in my neighborhood. Allow the smaller companies like my internet and phone provider, Sonic, to stay in business.

This competitive service is important to me, important to my community, and important to my fellow countrymen of our beloved United States of America!
